# Sweet To Mama

Woke up this morning, I mean this morning, the blues around my baby's bed

Well I woke up this morning, the blues around my baby's bed  
I turned my face to the wall, and these are the words I said

Sweet to mama, sweet to mama, mama where you stayed last night  
It's sweet to mama, mama where you stayed last night  
Well your clothes all wrinkly, your hair ain't fixed up right

Well it's two drops of water, two drops of water, one or two grains of sand  
It's two drops of water, and one of two grains of sand  
Well the blues ain't nothin' but a woman wanna see her man

Now mama told me, mama told me, baby when I was a child  
My mama told me, baby when I was a child  
You have a good time now, but trouble after a while

If I just hadda listened, hadda listened, to what my mama said  
If I just hadda listened to, what my mama said  
I would have been at home, trying to live with you every day

Look at that spider, look at the spider, climbin' up and down the wall  
Now look at that spider, climbin' up and down that wall  
Well he's gettin' up there, just to get his ashes hauled
